Taipei Medical University Fall Semester 2022: Information for International Graduate Student Registration

Dear Student,

Congratulations on your admission to the Taipei Medical University! The first day of classes of the Fall Semester 2022 starts on Monday, September 12th, 2022.

New Students must complete registration within the scheduled dates. All information from the University will be sent via email registered under your student ID number. Please check your inbox on a regular basis so that you do not miss any important notification.

In the future, Graduate students have to apply for a thesis/dissertation defense that shall be subject to the following guidelines: (1) Student should complete the course “*Research Ethics*”, (2) Student should complete the required courses and credit, requirements stipulated by their department/ institute/ program in accordance with the relevant regulations stipulated. Please refer to “TMU Implementation Guidelines of Master and PhD Degree Examination” and the rule of degree requirements for program/ institute/ department.

The registration procedures are subject to change accordingly with COVID-19 related policies announced by Taiwan Central Epidemic Command Center and TMU. For updates and news, visit <http://aca.tmu.edu.tw/> (Registration Section/ Latest News)

I. New Student Registration

1. Please refer to the following table for dates and information regarding registration for new students. The New Students have to login the website of “Registration form”. Please confirm all items show “**OK**” and print it.

Registration form (website) : <https://reurl.cc/0j8yRo>

2. The New Students have to visit the Registration Section at TMU **in person** for registration. Please bring Registration form (print it online) as well as the **original copy of your passport, transcript, and certificate for the highest academic degree obtained, both verified by the ROC embassies and missions abroad.**
3. Students who wish to reserve their admission qualification must apply online at the Academic & Student Affairs Information System before September 8th, 2022. Please refer to [Appendix] for further instructions. Late application will be deemed to have waived the qualification for admission. Application: <https://newacademic.tmu.edu.tw/>

III. Course Credit Waiver

【Notes】

1. Only applicable to credits received from courses completed before admission to TMU.
2. Application for course credit waiver must be completed in the academic year of enrollment by the deadline. Late application will not be accepted.
For students who wish to apply for suspension from school, application for course credit waiver must be completed before the start of suspension and will not be accepted after the students return to school. Students who fail to complete applications in accordance with relevant preceding regulations, thus affecting their rights, shall be held liable for the consequences that such actions may cause.
3. Courses taken after enrollment, including those where students have received grades or dropped out, are not eligible for course credit waiver.
4. If program/ department approves to waive any course credits of TMU with the course of pre-school, whatever the one or combine multiple courses of pre-school, this course of pre-school will not be approved to waive anymore.
5. Please refer to the following table for instructions on applications for course credit waiver:
